At St Mary's your child will be actively engaged in an exciting, educational journey.

Students engage in a knowledge-rich, ambitious and coherent curriculum that builds strong foundational skills through positive, rigorous and meaningful learning experiences. By developing deep knowledge and understanding, we empower students to make connections, confidently apply their learning in new contexts, flourishing both at school and beyond.

Your child will be supported in a caring community, where our values and actions are based on the Gospels.

WE CAN'T WAIT TO SEE YOU!
