Dear Parents and Friends

After many years of intense effort to increase parent involvement in schools, the results are beginning to appear in the educational research. The news is good for schools where parent involvement is high, and the benefits for children are encouraging. When parents are involved in children's schools and education, children have higher grades and standardized test scores, improved behavior at home and school, and better social skills and adaptation to school.

When parents hear that they need to be more involved in their child's school, their first reaction is sometimes a sense of guilt that they are not more actively involved. If that motivates you to invest your time and energy into your school, then you will certainly reap the benefits of that level of involvement in your child's education.

At St. Mary's there are many structures in place where you can be actively involved in your child's school. You can be involved through our classroom helper program, assisting at sports events and excursions, attending Working Bees, helping at the Fete, volunteering for Tuck-shop or assisting with special events.

You may also consider joining our active Committees - the School Advisory Board, the Parents' Association, the Maintenance and Development Team, the OOSH Committee or the Fete Committee. A new initiative this year is the SMART Group which stands for St. Mary's Amazing Resource Team. This group meets each Wednesday morning for a cuppa and to prepare teaching resources for the classrooms. Pre-schoolers can play whilst adults chat and work. Contact Elizabeth Whiting if you would like to join this group.

But according to research, the most valuable way you can become involved in your child's education is to provide a rich learning environment in your home to support your child's academic achievement. Other parent involvement activities that benefit children's educational development are to communicate with the teacher and school; discuss school activities with your child; and, monitor and supervise out of school activities.

Attached to today's Candela is a list of email addresses and Voice Mail boxes to assist you in making direct contact with a teacher. Please note, email and Voice Mail boxes are not to be used to deliver important messages for
students such as changed arrangements for pick up after school. Teachers are busy during the day and may not check messages until after school.

**ENROLMENTS 2012**

Enrolments for Prep 2012 are now being accepted.

**Open Morning**

5 May. Tours will be conducted at 9.30am and 12.00pm

**Information Evening**

30 March at 7.30pm

Current families with a Prep student for 2012 are asked to make application now so that we are in a position to know how many places we have available for new families. There has been strong interest in positions for next year, so please ensure you enrol now.

**WORKING BEE**

Thank you to all families who came along and worked so hard at the Twilight and Prep Working Bees which were held last weekend. Overall, we had 70 families participate which is excellent. Many tasks were completed and with such good attendance, it was possible to complete some major tasks such as the cleaning out of a number of drainage pits, setting up planting boxes and the installation of drainage pipes behind the MacKillop Learning Centre. I thank John Wood and Adrian Ferronato for their work in getting this particular task done. Another highlight of the Working Bee was the mowing of our Oval. All going to plan, the Oval should be ready for use next Term. Not only does a lot of work get done at Working Bees, they are also a wonderful opportunity for you to meet others and to build community. A positive, interactive community is important at St. Mary’s, as we value a climate where everyone feels valued, connected and supported.

Following last week’s AGM, the MaD Team is now under the leadership of John Wood and Phil Goulding. Congratulations to the new Team on the success of last weekend’s Working Bee. Our next Working Bee will be held on 14 May and has been assigned to Yr 2 families.

**.SCHOOL SPORTS**

We were blessed with lovely weather for our Annual School Sports which were held last week. Many thanks to all parents who came along and supported this activity and congratulations to all students on your keen, active participation. I congratulate Bosco House on being the outright winners and Mercy House on winning the Team Spirit award. Congratulations to the winners of the following prestige events:

- **2011 Mithen Mile** - Liam Burgess and Daniel Akuei (equal first) and Greta Miller
- **2011 Garrard Gift** - Daniel Akuei and Daniella Akuei

Thank you to Paul Healy and the Sports Committee members Elizabeth Whiting, Maureen Lamb, Moira Willits, Fran Jolley, Cathy McCarthy, Mary McEntee, Laura Ciavarella, Anne Graham, Damian Gilmore and Maree McMahon and all teachers and parents who assisted on the day. Special thanks to Frances Wood and Poppy who came early and assisted with the setting up for the day’s events. It was certainly another successful event for St. Mary’s. However, it was disappointing that many students had to leave prior to the presentations. Although I understand there are many other commitments to attend to, it is important that when we participate in a Team event, it is an expectation that all students remain as a sign of their commitment to their Team.

A number of Yr6 students have misplaced their Bomber Jackets following the Sports. I ask that you check you child’s Jacket to ensure that they have the correct one.

**PERMISSION NOTICES**

It is most important that permission forms for any out of school activity are signed and returned promptly prior to any activity. If lost, forms can be accessed on the online parent page. No student is allowed to attend such activities without parent written consent.
ONLINE BOOKINGS SACRAMENTAL STUDENTS
Students who are to receive a Sacrament or a Blessing this year, are reminded that bookings for your preferred date are to be made online. Bookings are now open. Log on to www.schoolinterviews.com.au and then enter the event code which is MA3FE.

AGM
At this time of the year, Annual General Meetings are held for the various Committees within our school. The AGM of the School Advisory Board will be held on Thursday 31 March. If you would like to nominate for a position on the board, the Nomination Form can be found on the online Parent Page. The Parents’ Association will hold their AGM on Wednesday 6 April. If you would like to join this Committee, come along and nominate on the night. Both these Committees are important to the life and energy of our school, so I urge you to consider offering your talents as you see fit.

COMMUNITY GRANTS
At the recent Advisory Board Meeting, it was discussed that there are many opportunities for schools to access Grants to support a range of projects that would assist our students’ learning. The Board would be most interested in hearing from any person who has an interest or expertise in making application for such community Grants. Please contact the school office if you would be able to assist in this task.

MEDICATION FORM
At times your child may require medication to be administered whilst they are at school. For this to happen, the medication must be sent in its original container and be accompanied with administration details on the “Administration of Medication Form.” This form is located on the Parent online page.

Sincere Sympathy
On behalf of all at St. Mary’s I offer sincere sympathy to the Casalis family (Marcus 6 MS) on the recent death after an illness, of their nephew and cousin Linus, who was only 15 years old. Linus will be sadly missed by his extended family and friends. Please keep all the family in your prayers during this very difficult time.

Term Finishes
Term 1 will finish at 1.45pm on Friday 8 April for the Term break. School will resume on Wednesday 27 April at 8.50am. Please note, commencement day for Term 2 is Wednesday due to Easter Monday holiday and Anzac Day Public Holiday.

STUDENT WELLBEING
Having a positive attitude helps us to be resilient and to look for the good in others and in ourselves. We encourage as a whole school community POSITIVE BEHAVIOUR SUPPORT which focuses on positive behaviour to build relationships and good behaviour and self motivation ‘to do my best’. Research shows that this reduces the incident of inappropriate behaviour.

Our behaviour expectations – the 4Bs: Be friendly, Be safe, Be respectful, Be a listener - emphasise how we should think and act as we learn and play together. At our Open Morning last week, a visiting dad was showing our 4Bs poster to his preschool son and commented that he wanted his son to start doing them at home now!

Each grade has been explicitly taught and discussed the 4Bs. One way at school that we are actively promoting positive behaviour is when the teachers are on playground duty they give out ‘Bee-ing your best’ token cards to students who are following the 4Bs. We are collecting this data to analyse the success of strategies and practices that we have in our school.

The Student Wellbeing Team has organised two awards – ‘THE AWESOME BEE AWARD for being your best’- to be given twice a term at the whole school assemblies to the student who has been given the most ‘Bee-ing your best’ tokens on the playground for the five week period between assemblies. This student will be given a certificate and a $5 tuckshop vouchure.

The other positive behaviour award- ‘THE FANTASTIC BEE CLASS Trophy’, will be given weekly to the class with the most number of students who have received ‘Bee-ing your best’ tokens on the playground that week.

Thank you for your support at home in encouraging and praising positive behaviour – friendliness, respect, safety and listening. We learn best through example.

SPORTS NEWS
STATE CHAMPIONSHIPS
On 19 and 20 March the following children from our school (Hugh Collis Under 11, Dominic Douglas Under 10, Liam Burgess Under 12, Greta Miller Under 12 and Frances Collis Under 9) competed in the State Championships held at Olympic Park. Some of the children competed well enough in their event to receive a medal. Hugh Collis - gold medal 1500 metre walk, Liam Burgess - gold medal 1500 metre walk and Greta Miller - bronze medal 60 metre hurdles. It was the last time Olympic Park will be used as a Athletic Track as it is being converted into a football ground. Congratulations to all the children who competed, it was an amazing effort.

By Dominic Douglas year 4PM.

RUGBY
On Saturday 19 March we played a game of rugby against Serpell Primary School at Aami Park. The game was played at the half time break of the Melbourne Storm verses the Gold Coast Titans Match. Melbourne Storm won the match by 32 points. The game was very physical and tiring and the outcome ended up being 12 to 8 in our favour. Curtis Taplin, Daniel Akuei and Curtis Howden Crhak all scored points for St. Mary’s. We all had an exciting time watching Billy Slater break the team record of 114 tries. The 8 representatives from St. Mary’s were: Curtis T, Curtis H.C, Bailey, Daniel, Richard, Michael, Max and Ben. We will like to acknowledge all the parent helpers and Mr Healy for everything they did to make our day a wonderful experience.
TWILIGHT SPORTS

BOSCO

We would just like to say well done to everyone who participated in the 2011 Twilight Sports. Thank you to all the teachers and parents who helped out in the activities. Well done to Mercy who deserved the team spirit award.  
GO BOSCO

LOYOLA

Last week was our annual Twilight Sports. Every team did an exceptional job, and tried their best. Everyone had a fun day, and all the preps had fun because they all did very well. We’d like to congratulate the winners of The Mithen Mile and The Garrard Gift - Greta Miller, Daniel Akuei and Liam Burgess for the Mithen Mile and Daniella Akuei and Daniel Akuei for winning the Garrard Gift. We’d also like to congratulate Bosco on winning overall points and Mercy for winning the team spirit award. Everyone had great team spirit and sportsmanship and should be very proud of their efforts no matter how well their team did. We’d like to thank all of the organisers who help to put together this wonderful day each year. GO LOYOLA!

MCAULEY

On 15 March St Marys set off to Meadowglen Athletics Stadium for the annual twilight sports day. It was a great day filled with lots of fun and activities which everyone competed in. At the end of the day we found out that Loyola came fourth in the team spirit points McAuley came 3rd Bosco came 2nd. Well done to Mercy who won the team spirit points. We also found out that Mercy came fourth in the overall team points Loyola came 3rd McAuley came 2nd. Congratulations to Bosco who won the all over team points.

MERCY

Last week was Twilight sports. Everyone competed very well and displayed good sportsmanship. We would like to congratulate all teams for trying their best, and especially Bosco for their amazing win. It was great to see all teams respecting other teams. We would like to also congratulate the Mithen Mile and Garrard Gift winners. Greta, Liam and Daniel congratulations for your amazing win in the Mithen Mile and to Daniella and Daniel for winning the Garrard Gift. Thank you everyone for trying their best and being good sports. Sportsmanship very important in sport, as it is not about winning, it is about having fun with your friends. We would also like to thank the parent helpers and organisers to put on this special day.

FOUND

Found in the playground a Collingwood Football Club members badge. Owner can claim from the school office.

FOUND

Capri Eyewear reading glasses in a Leverett Kindler purple case were found and may be collected from the school office.

YEAR THREE ART

For Art last week the Year 3 students looked at examples of different artists’ style of painting people. Remembering our science experiments exploring colour, we then looked at Vincent Van Gogh’s method of using colour and line. The children concentrated on their face and shoulders and using large brushes, acrylic paint and colour to express shape, form and design. The children created swirling lines to make a pattern around their faces. They mixed contrasting colour to show the swirl of lines. Later they mounted their painting onto a sheet to compliment or subdue their main colour.
