Dear Families,

How good does it feel to finally have a normal start to the school year! We've been so excited to see everyone again after such a strange end to 2021. Our *Transition Program* is going great and meeting all the new faces each week has been so fun: us educators feel so lucky you've chosen Your OSHC to supervise and support your children as they return to or start school for the first time!

Big Art Week is happening soon!! There's our competition where you can win big by expressing yourself, plus our WEEK LONG celebration full of artistic, experimental & creative activities to express your excitement for all things art. Much more than just painting or drawing, we've planned **edible art, clay creations, sensory sand, marbled masterpieces & group karaoke**, and that's just the beginning. It's sure to be a lot of fun and we can't wait to see what everyone creates!
