

# Welcome to 2022

Welcome back to a new school year! Our Outside School Hours Care, Your OSHC, provides tailored experiences that aim to inspire your child and help them grow.

We have been busy designing the perfect program and environment to kick off the new year. We can't wait for your children to experience it. Our term 1 program will focus on forging new friendships, strengthening existing ones, being secure, and feeling included and confident. We have set up an engaging and inspiring Your OSHC space so every session your child will be able to choose from different experience in our many zones.

To all our new families, welcome! Our coordinator Zoe, along with educators Katelyn, Jasmine, Melanie & Jasleen, want to let you know how excited we are to meet you over the coming year. Our transition program will support your children every step of the way so they feel right at home while at OSHC, and we have a jam-packed term of activities planned! **Coming up we have a Scientist week full of experiments, LOTS of early Easter fun, and a very special art-themed week coming soon, stay peeled.**

A reminder for all families: as we transition from paper to digital forms, please **check** or **update** any **medical, communication or child details forms** before your child's next session. Everything is available on the parent portal or ask your Coordinator for any help.

Here's to a great 2022!
