## Help Us Build a Library!

Dear St Mary's Community,

We are trying to raise money to build a library and we need help. With you and everyone we know we can do it. It's a library for kids who deprived of education. We are trying to be changemakers to a small community in Nanjandgud, India by building a library in a school there. St Mary's are hosting a colour run next term.

It will be unbelievable fun! Are you coming?

There are going to be a few activities, like a colour run, fun run, and a casual clothes day. We will be very grateful for donations at these fundraisers, so please help us.

There will be more information coming soon.
