

Library Update

Hello families,

Wow! What a wonderful term it has been in the St Mary's Library/ Discovery Centre.

It's been great to see the enthusiasm as students borrow new and familiar books.

Students have been keen to respond to our 'Book Suggestion form' where they can make suggestions for new texts to be included in our library.

Please continue to remind your son/daughter to utilise their St. Mary's library bag to ensure that our books are well looked after and returned to school so that the next borrower can enjoy them too!

Check out your local libraries during the Easter holiday break as they run exceptional programs and activities.
