

ALPHA

We all have questions about faith, life and meaning,
and we all deserve a safe space to ask them.

Alpha is that space.

Exciting news!! We are planning to bring Alpha to our Partnered Parishes community, in particular, the parents of children attending our three primary schools. In preparation for this, we are inviting expressions of interest for positions on the Alpha Leadership Team. The only 'qualifications' you need are your love for our Lord Jesus and a desire to bring people together to explore the big questions in life.

If you are interested, please email AlphaVic3088@gmail.com
or call Trevor on 0435 823 002.
