

Cross Country

On Thursday April 28th, the whole school, from our youngest-Preps-to our oldest-Year 6's-participated in our Annual Cross Country event. Blessed with fabulous weather and a large number of excited parents and caregivers, each student gave it their best effort as they negotiated a very difficult course to secure points for their house in order to see who could be crowned the winning house for Cross Country. Students wore clothing associated with their house and some even borrowed items from home to put designs on their faces and colour in their hair. Staff members even got in on the act and dressed up in the colour of the house that they were given. Following the conclusion of the event, Mr.O' had the very difficult task of collating all the results and calculating the points for each house, in order to find out the overall winners. In the end, the finishing positions were very very close, with only a few points separating each house. Results were:

First-Loyola
Second-McAuley
Third-Bosco
Fourth-Mercy

This event also assisted Mr.O' in the selection of the school Cross Country for students in Years 3-6. Those students that qualified will attend the Watsonia District Cross Country Event.

Congratulations to all who participated and a big shout out and thank you to the following. The School Sports Committee,the Year 6 Health and PE CAT students who capably organised and oversaw the running of the event. To our two parent helpers, Claire Hatty and Laura Burke. Without staff assistance and most importantly parents who are willing to help, these events do not happen easily.
