

# Library Update

We are very grateful to Aoife R, a past student of St. Mary's for the donation of a full set of J.K. Rowling Harry Potter books.

In response to student feedback we have a range of new books that reflect the 'Book Suggestions' made by students. Students have nominated authors and titles that they wish to see in our St. Mary's Library. Please continue to ensure that your child(ren) bring their St. Mary's library bag to school regularly as this is a requirement in order to borrow books. It would be gratefully appreciated if families could check at home for library books that belong to our school. During the Covid period, books may have been inadvertently borrowed and not returned. All overdue items will be gratefully accepted!

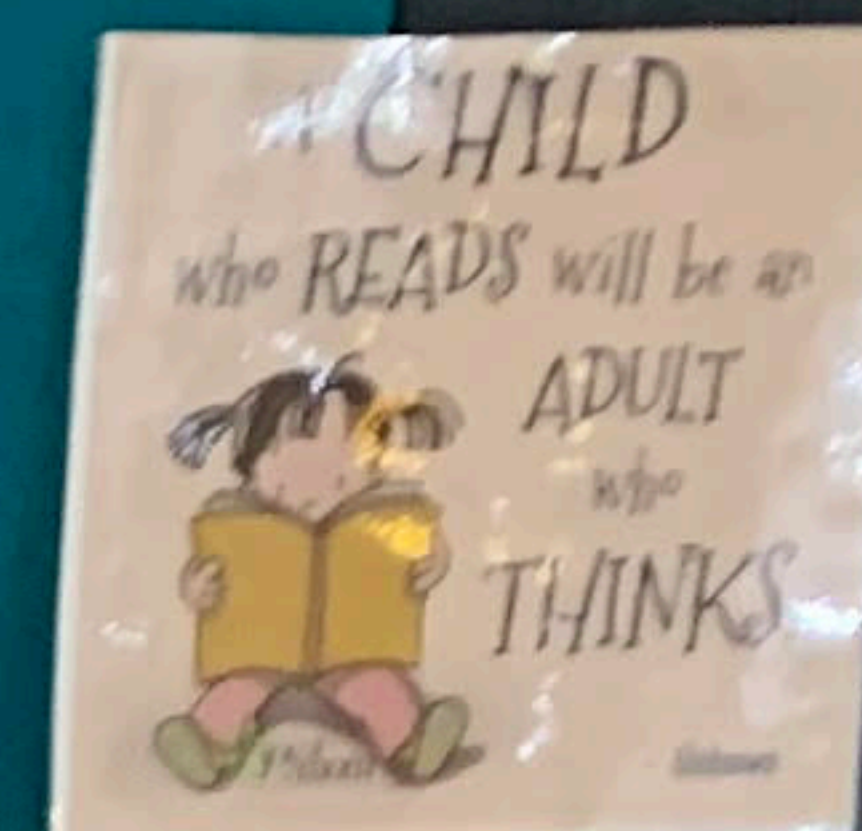

Happy Reading,  
Fiona MacIsaac
