

Working Bee - Year 5

St Mary's MAD (Maintenance & Development) Committee look forward to welcoming our parents and families who are prepared to devote some time on Saturday 14 May at the Working Bee.

As well as the usual mowing etc. there is quite a bit of tidying and cleaning to be done around the place, so come along and enjoy our fun in working and improving our grounds and facilities.

The Shed (next to the Presbytery) will be open from 8:30am with Morning Tea at about 10:30am and a B.B.Q. lunch at 12:30pm. Any time you can spend with us will be fully appreciated.

The Focus Level for this Working Bee is - Year 5 Families

We encourage our families to attend the Working Bee, even for a short time during the day and in doing so support the wonderful planning and work of the Maintenance Committee. Attendance at this event also gives families an opportunity to meet on a social basis. Any donations of lemon slice (or other foods) will be eaten!

We look forward to seeing you and thank you in advance for helping St Mary's look great.

Please complete this form by Thursday 12th May for Catering and Preparation purposes. Please copy the below link into your browser.
