

Northern Metropolitan Region

Cross Country

On Wednesday June 15th, six St. Mary's students made their way to Bundoora Park to participate in the Northern Metropolitan Region Cross Country Championships. For the first time in three years, due to Covid-19 and lockdowns, this event finally went ahead. Hudson in the Boys 9/10 race, Calista, Violet and Olivia in the Girls 11 Year old race, Austin in the Boys 11 Year olds and Elsa in the Girls 12/13 Year old race, all performed magnificently. They competed against the top 72 athletes in their individual race and were a credit to themselves, their families and their school. To qualify for Region Championships is a marvelous achievement. Special mention to Austin and Olivia who both competed whilst suffering from a virus and a chest infection. Huge, huge congratulations to Violet, who finished 4th and has now qualified for the State Cross Country Championships.

ATHLETE	RACE	FINISHING POSITION
Hudson A	9/10 Boys	60th
Calista Di N	11 Girls	64th
Olivia P	11 Girls	DNF
Violet H	11 Girls	4th Has qualified for State Cross Country Championships
