New resource! Journeying Together –preparing for the sacraments of initiation

Dear principals and religious education leaders,

It is with great excitement that we announce the launch of the new Melbourne Archdiocesan sacraments of initiation resource, 'Journeying Together', which can be found at sacraments.melbournecatholic.org.

The home remains the prime location within which faith can be formed and nurtured. Journeying Together has been created specifically to serve our domestic Church by offering parents an accessible way of participating in their children's spiritual formation and faith journey, with a resource that is easy to use.

Journeying Together facilitates an at-home experience of God-talk and is designed not to replace but to complement children's sacramental preparation in a Catholic primary school or parish catechetical setting.

This resource engages families through interactive quizzes, comparison slides, videos, audio, music, background photos and artwork, all of which reinforce and support key points.

We invite you to help promote the use of this resource by alerting parents, teachers and all involved in the faith formation of our children

Parents, teachers and catechists can find further details on the module sessions at melbournecatholic.org/parentInformation.html
