

CERES EXCURSION

On Monday the 8th of August, the Year One students went on their first excursion to CERES Community Environment Park. The students had a wonderful day engaging in activities that allowed them to explore the impacts of waste and discover solutions to reduce waste.

"I loved holding the worms." Indi. P

"I liked playing Bingo with the bugs and creatures." Elena. S

"I learnt about recycling and reusing things to make paper." David. H

"My favourite thing was making paper. It was so fun." Annie. S
