

Congratulations Chelsea

I can't believe it! I just got my amazing brown belt for karate. It's taken me two and a half years to get to this stage. I've had to go through 9 belts to get here. I like martial arts because I get to express my feelings without actually telling anyone if I don't want to. I'm looking forward to getting my black belt. I want to get my black because I want to be a coach and help other kids achieve their dreams. It will be made especially for me with my name in it.
