

# Library News

We have a great range of resources in our library. It is the families responsibility to look after books that have been borrowed and return them following the borrowing period of one week. If books are not returned or are returned damaged, families will be asked to replace the book(s) and costs will be incurred.

We ask that you please check your homes to ensure all books have been returned to the St Mary's Library. There have been occasions where books have been returned to local libraries instead of our school library. We have had a call from Rex Airlines as a family left a St Mary's library book there.

Lastly, a HUGE thank you to the Visser family for donating a wonderful range of books for our school library.

## Top Borrowers this week!

Henrik Yr 3

Marlow BW Yr 3

Hugo Year 1

Telar M Year 1

Grace S Year 1
