

Science Week

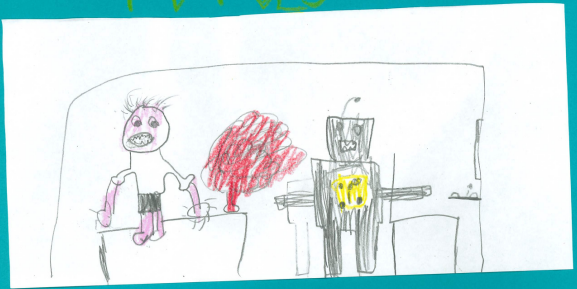

Jack

On a crazy Friday morning I was in my lab FIRST I went DOWN the hatch to the control room I fixed the control then I went UP 2 LADDERS THEN WAS OUTSIDE THEN I got the STUFF Paddy ^{but} then it burst

Harvey

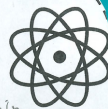

Harvey

On a crazy Friday morning I was in my lab first I made my ^{potion} then it went crazy I called my friend we made a another ^{potion} then it was like a volcano.

Beth

On a crazy Friday morning I was in my lab first I made a huge bunny then it ran a way I was sad! I went to find it and I ^{found} find it and then I ^{again} ran ^{it} away ^{again} I ^{tried} find it ^{tried} again!

Layla

On a crazy Friday morning I was mixing a potion in my lab I was making my potion ^{was} really busy it ^{nearly} bubbled ^{up} the whole lab! I was really sad but it was a little bit fun it got all over my ^{thes.} close

Grace

on a crazy Friday morning I was in my lab first, I made some potions and potted in ^{sand} ^{colours} and ^{purple} and ^{orange} and green and blue all made a friend.
