

210 Grimshaw Street, Greensborough, 3088

I come before you, oh Lord, and drink in this moment of peace, that I may carry something of your hope, love, and joy today in my heart. Lord, grant me wisdom and courage as I go through this day. When I am tempted to give up, help me to keep going. Grant me a cheerful spirit when things don't go my way.

Amen

A MESSAGE FROM THE PRINCIPAL

St. Mary's is a dynamic Catholic community of empowered learners engaging justly in the world.

Dear Families,

School Performance

It is so exciting to see the students practicing and preparing for their performance. We are looking forward to a wonderful school event.

It has come to my attention of some parents' dissatisfaction in relation to the cost of the performance and that St Mary's may be trying to profit from the ticket sales. I wish to reassure you that under no circumstances is St Mary's making a profit. We are hopeful that the ticket sales might cover the cost of setting up the performance.

In 2018, I was informed that parents were charged \$28 per ticket. We reduced the cost to \$20 to support families by hosting it at our school. Previously St Mary's performance was held off site in at Loyola and Ringwood and other suburbs. The cost of transporting our students by bus is extremely expensive and time consuming and lacks an awareness of how our community rally together to set up for a performance. Our students have written scripts, decorated props, written songs, choreographed dances and directed performances. This is an amazing learning experience for all students in the Arts.

The cost of the tickets is paying for

- the hiring of tiered seating
- the hiring of audio visual equipment
- hiring of a screen
- hiring of lighting
- hiring of sound equipment/microphones
- purchase of a performing arts floor
- release of the Performing Arts teacher to support our students
- videoing the event
- purchase of equipment for backdrops and curtaining
- purchase of some costuming Please come and speak with me if you have any questions in relation to this important learning opportunity for our students.

Advisor with MACS. We look forward to seeing all the Year 2 parents and carers attending as we support our students and their faith journey.

Prep Welcome Evening

On Thursday October 20th we will be hosting the Prep 2023 Welcome Evening in the MLC at St Mary's. We are looking forward to meeting all of our new and current families for 2023. On that evening we will provide further information about St Mary's. Our families will be able to meet and greet with one another and with Fr Steve, the school leaders, the Prep teachers, the PA Presidents, the School Advisory Council Presidents and the MAD Team president. The night will be a social event just for parents.

Colin Brooks Visit

It was wonderful having the Honorable Colin Brooks Minister for Child Protection and Minister for Disabilities and Carers, visit St Mary's last Friday. Our students asked thought provoking questions about governance, sustainability and laws. Colin and I were most impressed with their questions and the way the students could articulate issues that matter to them.

Planning for 2023

It is that time of year when I begin to plan for class groupings and staffing for the following year. If, for some reason, your child will not be returning to St Mary's in 2023 (apart from our Year 6 students) please send me an email or phone me. It is important that I am aware for future planning.

School Policies

Melbourne Archdiocese Catholic Schools provides schools with policies to ensure all schools are following consistent practices. One of the most recent updated policies is the Medical Management Policy. Over the next few weeks elements of this policy will be shared with the relevant families as we update our current procedures in line with the policy. Please read Medical Management Policy School Level Policy

Working Bee

This coming Saturday October 15th is the next Working Bee. We ask that the Year 3 families join the MaD team to make our school and parish grounds beautiful. Please ensure you have a current Working With Children Check as it is important that all volunteers follow our Child Safe procedures. I look forward to seeing you on Saturday as we spruce up St Mary's together.
