

Italian Day

On Thursday the 24th of November the students of St Mary's will be celebrating all things Italian.

Our theme this year is '*A Touch of Italy*'. Everyone is invited to dress up on the day.

The students will have a full day of Italian activities.

To make this day more exciting the students will be having an Italian lunch. This will be available through Flexischools online. The options are as follows:

a choice of Hawaiian and Margarita pizza and a choice of gelato lemon or chocolate. There will also be a gluten free option.

The flexi orders will open on the 7th November and close on the 17th. Please be sure to place your orders prior to the 17th.
