

**MATHS
OLYMPIAD**

Maths Extension Programs

Selected students in Years Five and Six have been participating in classroom sessions and contests run by the Australian Problem Solving Mathematical Olympiads (APSMO).

The competitions are open to schools within Australia and New Zealand. Both Year 5 and 6 participate in the same contests (Maths Olympiad).

Congratulations to Blake, Lucas, Leo, Lucy, Arlo, Dylan, Daniel, Abbey, Ana-Lucia, Olivia, Tyson, Luke, Harminder, Ollie, Sebastian, Scarlett, Lydia, Emmerson, Marco and Cooper for achieving a perfect score in the fifth and final contest.

Sebastain and Daniel scored the highest in their respective teams. Sebastian, Cooper, Lydia, Harminder, Daniel and Dylan scored in the top 25% of our teams.

Congratulations to all participants on three terms of amazing mathematical thinking and collaboration.

Alison Hall and Belinda Cheong
Mathematics Leaders
