

7 November 2022

Dear Resident

Hurstbridge Line Duplication - upcoming works in November and December

Construction continues along the Hurstbridge Line throughout November and December as we work towards opening the new Greensborough station in mid-2023.

At times throughout November and December, we'll need to work at night. We will be in touch with any residents directly affected by overnight works.

Upcoming works

- Relocation of electrical infrastructure underneath Para Road between Flintoff Street and Grimshaw Street
- Works underneath the new Plenty River Bridge to continue installation
- Civil and structural works on the new Greensborough Station and in the surrounding precinct
- Installation of nesting boxes for local wildlife across project areas

What to expect

- Overnight noise, dust and vibrations from heavy machinery working in the rail corridor and around station precincts
- The use of light towers for night works
- Heavy vehicles using local roads for haulage and deliveries to site
- Traffic management in place to help you move safely through the area - please follow all local vehicle and pedestrian detours

Changes to travel – road

- Closure of Railway Road, at the intersection of Para Road, between **7am to 6pm from Thursday 1 December to Wednesday 7 December 2022**
- Intermittent traffic changes to Para Road overnight between Flintoff Street and Grimshaw Street on **18 November** and again between **9 December 2022 and mid-January 2023**
- Please see maps overleaf for detour information

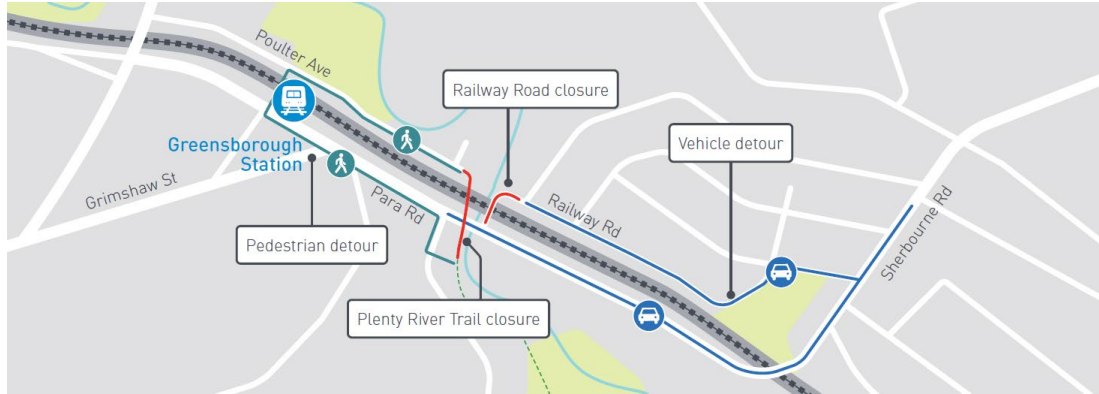

Changes to travel – bicycle, pedestrian and parking

- Plenty River Trail will close between **7am to 6pm from Thursday 1 December to Monday 12 December 2022**
- Para Road footpath between Flintoff Street and Grimshaw Street in Greensborough on the station side will remain closed until early 2023

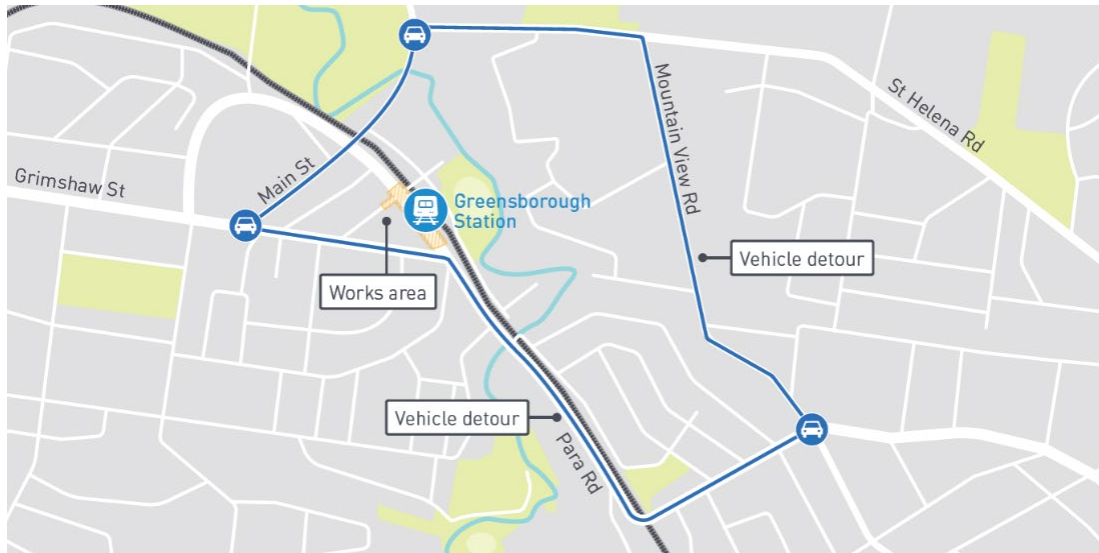

There will also be ongoing intermittent changes to parking on Poulter Avenue near Greensborough Station until mid-2023
