A Prayer for World Peace We pray for the power to be gentle, the strength to be forgiving, the patience to be understanding, and the endurance to accept the consequences of holding on to what we believe to be right. May we put our trust in the power of good to overcome evil and the power of love to overcome hatred. We pray for the vision to see and the faith to believe in a world emancipated from violence, a new world where fear shall no longer lead men or women to commit injustice, nor selfishness make them bring suffering to others. Help us to devote our whole life and thought and energy to the task of making peace, praying always for the inspiration and the power to fulfill the destiny for which we and all men and women were created Author Unknown

A MESSAGE FROM THE PRINCIPAL

St. Mary's is a dynamic Catholic community of empowered learners engaging justly in the world.

Dear Families,

Harmony Day

Thank you to the families who supported our Harmony Day activities. We enjoyed being able to celebrate our differences and appreciate one another for who we are and where we come from. We truly believe that 'Everyone is welcome here'. A huge thank you to our teachers and students for organising the fun welcoming activities.

Fete Committee Meeting

Please join our PA meeting on Monday 3rd April at 7.30pm in the Church foyer to discuss the November Fete. Many parents comment on how wonderful the fete is, and how much they look forward to it. Fete's can only occur when people volunteer to organise stalls, rides, food etc. WE NEED YOU! The more people volunteer the less work placed on individuals.

St Mary's Open Days

Our Open days continue this coming week. Congratulations to our school leaders who are conducting the tours. The feedback from the families has been extremely positive and I am so proud of them as they are great ambassadors of St Mary's.

Italian Delegates visiting

On March 30th St Mary's is hosting the Italian Consulate General, language representatives from the four major universities; Melbourne, Monash, RMIT and Deakin, Nine delegates from the Dept of Education and a representative from the Victorian Curriculum and Assessment Authority. The delegates will be visiting classrooms to see our great Italian learning in action.

Prep/Year 6 Working Bee April 1st

The Prep /Year 6 Working bee will be held on Saturday the 1st April. I encourage all parents in those levels to consider participating. We are wanting to install a long jump pit and many hands will make light work. I look forward to working with you. Please remember your Working with Children's Checks.

Capital Grant Application

Throughout the past two weeks I have been organising a Capital Grant Application to refurbish the two storey building. We are hoping to create a Science Kitchen STEAM Centre where the students will have the ability to create movies, podcasts and amazing artworks, learn cooking and provide a space for our families to be involved in students' learning. We will find out if we are shortlisted in June/July.

A MESSAGE FROM THE PRINCIPAL CONT.

Meeting Nights

Just a reminder due to the new EBA, St Mary's has needed to change the times for out of hour meetings for teachers. We now begin our Monday and Tuesday afternoon meetings at 3.30pm instead of 3.45pm. It is imperative that teachers are punctual to these meetings. Please do not try to meet with our teaching staff on Monday and Tuesday afternoon as they are expected to attend our Professional Learning team (PLT) meetings on time. Thank you for your support in this matter. I will continue to keep you informed of the EBA expectations as there will be other changes to ensure a reduced workload for teachers.

Prep 2024 Information Evening

On Tuesday the 4th of April we will be offering a Prep 2024 information Evening in the MLC at 7pm. Please let your friends and family know. I look forward to sharing information about our great school.

School Hall Toilet Upgrade

I am pleased to announce that we will be commencing with the Hall toilets upgrade any day now. This refurbishment is long overdue and will provide clean, functional disabled and regular toilets which will enhance the use of the Hall.

Congratulations to the McConville Family on the arrival of Alfie. Aaria was very excited to share wonderful pictures of her new baby brother.

Enrichment Group

At St. Mary's we support our students in a multitude of ways. We recognise that students learn differently and at varying rates. Some students are involved in our enrichment groups, where they are given opportunities to work with like-minded peers on tasks that extend and challenge their thinking.

This year a team of students are participating in the CBCA (Children's Book Council Of Australia) Shadow Judging for the Book of the Year Awards. This involves reading, discussing and producing creative responses. 'Shadow judging provides an opportunity for young Australians to celebrate reading for pleasure, to have their opinions heard and to creatively respond to the Shortlisted books in a chosen category.'

Comments made by members of the Enrichment Group:

It's great to be challenged.

We are enjoying communicating with one another and sharing ideas. This is fun because it's making us think!

I like talking about books and discovering all the new books that are

here.

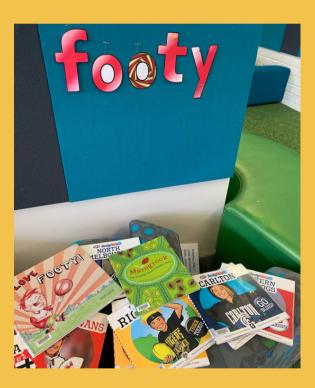

I think it's great that we are doing complex problems!

LIBRARY

In the Library this week we are celebrating the beginning of Aussie Rules with a footy display so eager fans can read about their favourite teams.

Our chess enthusiasts have shared their thoughts: Isabella and Eliana 'We are loving learning about chess. It's fun!' Austin and Ethan 'We are learning new chess strategies every week'.

Year 3 Shared Lunch

On Thursday 16th of March all the Year 3's got together to have a feast to celebrate the Last Supper. In Term 1 we have been learning all about Community as we have been preparing to receive our First Eucharist. We have learnt that there are many different ways we celebrate with different communities and that when we have celebrations we often share a meal because it gives us time to share stories and learn more about each other. The Last Supper was during the celebration of Passover. During our shared lunch we made wraps and cordial to represent the bread and wine just like they did at the Last Supper. We sat next to people we might not normally sit with and learnt more about each other as we shared our meal.

"I enjoyed the food and the cordial."-Beatrice and Yvette
"I enjoyed sitting next to friends from other Year 3 classes."- Lucas
"I enjoyed seeing my friends."- Luca
"I enjoyed sitting and eating with my friends."- Claire

INTERSCHOOL SPORTS

23

The first game that we played was a bye, what that means is that the school that we were playing against didn't have enough people or they didn't have a rounders team. Instead, we got to learn how to play the game properly, get to know our teammates and create a team name along with a massive poster. Our team is "The Blue Zings' ' named after one of the best flavors of the discontinued tuckshop icy. Diya M, Sophia B, Mikaya P, Olivia C, Zoe D, Stephanie S, Sofia N, Serena C, Sacha D, Lucy D, Clara S, Charlotte M, Alexia D and Sienna W, these are all of the girls that make up our amazing St. Mary's rounders team. So far we have played five or so games and our hard work has been paying off because so far we have only lost one game. The schools that we have versed have been great competitors and have shown good sportsmanship. We have played against Streeton Primary that showed wonderful resilience even though they had students from year five and four playing. Next we played Bundoora Primary that had strong encouragement and cheered on their team, plus they had goats and chickens right next to where we were playing. Next we played Watsonia North which has been one of St. Mary's strongest competitors for years. It was a very close and thrilling game that ended in Watsonia at 17 and St. Marys at 18. Our most recent game took place on Friday the 17th of March we lost our very first game to Watsonia Heights, they were amazing and we had a great time and even learnt some things from them. It has been awesome to learn this sport and make memories that will last a lifetime.

Bat Tennis

Selecting Bat Tennis for interschool sports is a very different but enjoyable sport for the Year Six students this year. They are held over 6 weeks playing a different school around the area. For a quick rundown of the rules it's basically mini tennis played over a small wooden plank as the net and the players have to hit the ball back and forth until someone gets out. Overall I find that this sport is a very fun and enjoyable game. I've learnt a lot about how to play it and the strategies for it and it's a simple game to learn and play with others so I'd definitely recommend doing bat Tennis for something new if you don't play tennis in general. When playing against other schools they are all friendly and show amazing respect towards us whenever we have away games. Since some schools use year 5's and 4's they always give us great competition and seem to enjoy playing the sport as well. So far the Bat tennis teams-girls and boys- have been doing very well with a couple big wins and small losses. We play our last game before finals against Greensborough on Friday March 24th, so best of luck to all that are playing!

Written by Teagan T House Captain Mercy 2023

In boys bat tennis each and every student has played exceptionally well. We have only lost against Watsonia North and have won against every other school. Players have enjoyed participating in doubles, singles or even scoring opportunities. Every week students rotate between playing singles, doubles and scoring so that each student gets a fair amount of time developing their skills in each activity. Throughout the whole experience, students have acknowledged that being involved in sport has mental advantages and a positive impact to your well-being. Thank you to Miss Vorster (the coach) and to all the students who have participated it has been a very fun and exciting experience. Congratulations to every participant!

INTERSCHOOL SPORTS

Boys Basketball

This year for Interschool sports Boys basketball, there are 13 players Tyson Q, Archer L, Jedda W, Samuel T, Will R, Spencer L, Jordan L, Zach M, Junah D, Luca R, Jordan G, Jye P, Luca M and our coaches Miss Leslie, Renee and parent volunteer Carly Walsh.

Over the past few weeks we have had lots of fun so far. We have played 5 games and we've won all of them. The games have been outstanding and our team has been really successful, We have some really skilled players on our team. Along the way we have had lots of fun cheering and playing hard.Our coaches have been really great to coach us and help us develop our skills. Our number one goal is to win the finals and move up to division. Everyone on our team has had lots of fun playing and participating.

> Round 1 we had a bye, our team was a bit sad because we really wanted to play our first game. Round 2 we played Streeton. Round 3 we played Bundoora and everybody played well. Round 4 we played Watsonia North. Round 5 we played Norris Bank. It was an exciting game and a fun one. Round 6 we played Watsonia Heights.

There is still one more game on the 24th of March and then we have finals which will take place on the 31st of March. It's a very anticipated game. Our whole team is excited for the game to see if we make it in and who we are versing if we do. Our team has had so much fun and we are looking forward to the rest of the season

Cricket

The Year 6 students at St Mary's have been taking part in Inter-school sports over the summer. The following students make up the 2023 Cricket team; Me (Luke.S), Paxton.S, Liam.O, Leo.D, Charlie.G, Reuben.M, Jake.A, Austin.P, Peter.S, Oliver.G, Alexsander.B, Jilay.B, Elijah, Tanya.A, Neriah.D, Bella.B and Giorgia.T. Our coach is Mr Williams

and he has been really cool and always encourages everyone to have a go.

We have only played 4 out of our 6 games so far and we've been a little bit shaky.

Round one we versed Streeton P.S. We batted first and made a healthy score of 58 runs.

As we went out to field, we were feeling pretty confident that we'd made enough to win...

But after a surprising turn of events, Streeton started hitting the ball all over the place, hitting for one, two, three and four runs! We started getting a little worried as we'd only taken two wickets and it came down to the final ball... Their batter smashed the ball and they ended up taking the win right from under us.

Our first victory came against Bundoora P.S where we were bowling amazing We batted and made a total of 46 runs which was more than enough to seal the deal. After the win, we were looking forward to our next match against Watsonia North P.S who are a really strong side. They made 67 runs and although we played some excellent cricket, we were unable to steal the win, falling short at 60 runs.

Watsonia Heights, who were on top of the table, were our next opponent. We were feeling a bit nervous going into this game. They scored 58 runs, which we thought we could beat but their bowling was outstanding and we were all out for 29. This Friday, March 24th we face Greensborough P.S.

NATIONAL RIDE TO SCHOOL DAY

MARCH 24TH 2023

On Friday March 24th 2023, all St.Mary's students were encouraged to walk, ride, scoot or skate to school as part of National Ride to School Day-a day that wants to limit vehicles on the road and a reason for everyone to get out in the fresh air and be active. This day was a super success for our St. Mary's community as the car park was practically empty, the bike racks were full and the lollipop person on Grimshaw Street was earning his wages as he negotiated the huge amount of two wheeled participants crossing the road to our school.

Many thanks to the Morris family for being the driving force behind this initiative, especially Kristy. Kristy sourced so many prizes from local businesses that enabled a huge raffle to be held at the end of the school day. Congrats to all the raffle winners. Sincere thanks to all the staff who assisted with the safe parking of all the bikes, scooters, skateboards etc as the various locations were thronged to

capacity.

For 4 weeks throughout Term 1, students in Year 1 and 2, were learning to improve fitness, balance, coordination, mindset and self confidence through Taekwondo. Coaches Julia, George and Will, from Hall's Taekwondo, taught the students various skills from a palm strike, to a self defence stance, a jab and straight punch to an axe and a hammer strike. Student engagement and participation was evident as the circle pads received a workout. All the coaches emphasised the fact that what the children were learning was not to be carried out on the playground. This was a thoroughly enjoyable Taekwondo introductory unit.

BANYULE DIVISION SWIMMING

On a beautiful warm sunny day, on March 14th, 20 swimmers from St. Mary's headed off by bus to compete in the Banyule and Inner North Moreland Division Swimming Carnival for 2023. The event took place in the outdoor pool in Pascoe Vale at the Oak Park Aquatic centre. All swimmers performed magnificently against very strong opposition, with 6 swimmers from our school qualifying for the Northern Metropolitan Region Swimming Championships on March 30th at Watermarc.

Well done to everyone who participated and sincere thanks to all the parents and caregivers who came along to support each swimmer.

22 March 2023 Dear Owner / Occupier

Main Hurstbridge Road Level Crossing Closure

The second stage of the Hurstbridge Line Duplication will deliver further improvements, including more train services, less crowding on peak trains and better connections to public transport in Melbourne's northeast.

We are undergoing 24/7 works to get your new stations at Greensborough and Montmorency ready for use, complete platform and pedestrian crossing upgrades at Diamond Creek Station, and complete 3.5km of new rail track duplication on the Hurstbridge Line to allow extra services to run.

Whilst the major construction blitz is underway, buses replace trains on sections of the Hurstbridge Line until **last service Saturday 29 April 2023.** We will have trains running on the new duplicated track from **Sunday 30 April 2023.**

Changes to road

Main Hurstbridge Road level crossing will be closed between **9pm Friday 24 March and 5am Monday 27 March 2023**. It will also close **Monday 27 March from 9pm to 5am Tuesday 28 March 2023**.

Please see map overleaf for the Main Hurstbridge Road detour information.

What to expect

- Overnight noise, dust or vibrations from heavy machinery working throughout the rail corridor and locations at Diamond Creek Station, Diamond Creek Shopping Centre, and Main Hurstbridge Road
- The use of light towers and generators for night works across project sites
- An increase in heavy vehicles using local roads for haulage and deliveries to site
- Traffic management and detours in place to help you move safely through the area please check local signage for up-to-date detour information.
