*God of love,  
We ask you to be with us as we journey  
with Jesus during his last days on earth.  
We pray for the church throughout the world.  
In Jesus' name we pray.  
Amen*

# A MESSAGE FROM THE PRINCIPAL

**St. Mary's is a dynamic Catholic community of empowered learners engaging justly in the world.**

Dear Families,

## **End of Term One**

We are all finding it difficult to accept that Term One has come to an end. The ten weeks goes by so fast. As usual it has been an exciting, interesting and eventful term. I consider that much has been achieved by the students, staff and parents. I take this opportunity to acknowledge the enthusiasm and interest of our students, the dedication of all staff and the fantastic support of our parents. Our working partnership is highly valued and key to the philosophy of who we are at St Mary's.

## **Easter Raffle**

Congratulations to Katie Fields, the PA and her band of helpers who organised the Easter Raffle. A huge thank you to our families for your generous donations of chocolates which enables such wonderful prizes for our families. This year we raised \$2,250 with all proceeds going to upgrade the Basketball Court.

The top 5 winners of the raffle are:

1st - Aiden C in Prep K

2nd - Zachary E in 2V

3rd - Austin P in 6V

4th - Taylor S in 3L

5th - Josh T in 1B

We hope they enjoy their prizes.

## **Lent and Holy Week**

Thank you for supporting the work of Caritas through Project Compassion and the work of St Vincent de Paul. I congratulate the various classes who this week, so beautifully, depicted the entrance into Jerusalem and subsequent passion of Jesus. Thank you to Ana, our RE leader, for organising this special event. We hope many of the students will experience Holy Week and Easter at St Mary's Church this week. We will celebrate Easter as a whole school after the holidays.

## **Fete Committee Meeting**

Thank you to all parents and parishioners who joined our PA meeting on Monday 3rd April at 7.30pm in the Church foyer to discuss the November Fete. We had a great response from parents and parishioners who are willing to be liaisons and coordinators of events. The Fete is starting to get off the ground and I am sure over the coming weeks more and more parents will volunteer to see it come to fruition.

## **Italian Delegates visiting**

The stakeholder visit on March 30th whereby St Mary's hosted the Italian Consulate General, language representatives from the four major universities; Melbourne, Monash, RMIT and Deakin, Nine delegates from the Dept of Education and a representative from the Victorian Curriculum and Assessment Authority was a huge success. Naturally, the most inspiring part of the day was visiting classrooms to see our students demonstrating great Italian learning.

## **Prep/Year 6 Working Bee April 1st**

The Prep /Year 6 Working bee was held last

Saturday the 1st April. Thank you to the parents and students who attended. Congratulations to Luna D, Ashleigh M and Winnie A who won the tuckshop voucher. A great deal was achieved by all. A special thank you to Michael Azel and the MaD team who once again organised the event. The next working bee is the Year 5 level on Saturday 13th May.

## **Meeting Nights**

Just a reminder due to the new EBA, St Mary's has needed to change the times for out of hour meetings for teachers. We now begin our Monday and Tuesday afternoon meetings at 3.30pm instead of 3.45pm. It is imperative that teachers are punctual to these meetings. Please do not try to meet with our teaching staff on Monday and Tuesday afternoon as they are expected to attend our Professional Learning team (PLT) meetings on time. Thank you for your support in this matter. I will continue to keep you informed of the EBA expectations as there will be other changes to ensure a reduced workload for teachers.

## **School Hall Toilet Upgrade**

I am pleased to announce that we will be commencing with the Hall toilets over the break. This refurbishment is long overdue and will provide clean, functional disabled and regular toilets which will enhance the use of the Hall.

## **Mandatory Reporting and Disability Discrimination Training**

All staff will be completing the Mandatory Reporting and Disability Discrimination Training on April 24th. This training is extremely important and mandatory for all staff in schools and is intensive with many hours of online modules to be completed.

## **2024 Enrolments Open**

A huge thank you to our Year six leaders and all students who have conducted school tours this term. If Parents know of anyone who missed our Open Days please tell your friends and family to make an appointment to meet with me to hear about our exciting plans for the future and the excellent learning opportunities our school provides. Just a reminder for all current families who have a child entering Prep in 2024, that enrolments are due by 19th May.

## **Faith Development Team: Parents Needed**

I am fortunate to be a member of the Faith Development Team in partnership with Sacred Heart Diamond Creek and St Thomas' Greensborough North. We are looking to recruit two parents to join us. We meet once a month at 1:30pm until 3pm at St Thomas'. We really want to have parent voice on the team to ensure our plans cater for all stakeholders. Please email me at [principal@smgreensborough.catholic.edu.au](mailto:principal@smgreensborough.catholic.edu.au) if you are able to assist or contact Fr Steve or Sandy in the Parish.

## **Parent Involvement and Induction Module**

Just a reminder to all parents to complete the parent involvement survey to provide as much support for St Mary's community as possible. It is also crucial that the Induction Module is completed to ensure we comply with the Child Safe Standards. Both were due to be completed early term 1. Thank you to the families who have already completed them.

## **Buona Pasqua**

I wish all families a safe holiday and happy Easter and I look forward to continuing our wonderful learning in Term 2.

Kind Regards,  
*Marisa Matthys*

# WORKING BEE

YEAR 5 FAMILIES  
WE'LL SEE YOU  
SATURDAY  
13TH OF MAY

# St Mary's

## FETE

Thank you to those that attended the recent Fete meeting. The Fete will be held on Saturday 18 November but it requires the help of the St Mary's community to enable it to go ahead. Due to Covid and the rising cost of living, the Fete will be scaled down from previous years. The Parents Association (PA) has gathered ideas and has a program of activities, but we need your help to bring the Fete to life!

The money raised from the Fete is shared equally between the Parish and the School to upgrade St Mary's Facilities.

**For the Fete to be a success, we need volunteers to assist in coordinating the following aspects:**

- Food and beverage
- Rides
- Entertainment
- Stall holders
- Licences / Permits / Working With Children Checks (WWCC)
- Marquees and shade shelters
- Volunteer rostering and co-ordination on the day
- Logistical arrangements (e.g. ride operators accessing the school grounds to set up)
- Auction items / raffles / prize wheel
- Promotion / advertising signage
- Pack up / Clean up

Please email [papresident@smgreensborough.catholic.edu.au](mailto:papresident@smgreensborough.catholic.edu.au) if you would like to be involved. Ideally, we would like 2-3 people per activity so you can bounce ideas off each other and to ease the workload.

Be assured that you won't be left on your own with any of the above roles, and will also be supported by the PA / Fete Committee along the way.

Unfortunately, if there are not enough volunteers to support the Fete, it simply cannot go ahead. Please consider how you can help - many hands make light work!

Thank you,  
Parents Association

# Congratulations!

Rachael and James Kincade have welcomed a baby girl on Friday 24th March - Tamsyn Rose Kincade.

Older brothers, Archie (Prep 5) and Heath were so excited to meet their little sister.

**WEDNESDAY 17 MAY AT 7PM**

## Thank you all for a great 1st term

St Mary's Parents Association would like to thank all the staff, students and parents at our lovely school for a wonderful start to 2023.

The Parents Association are working towards several fundraising goals for St Mary's this year and, thanks to your support, we're seeing some real progress. Keep an eye out for our fundraising thermometer and watch us get closer to our targets.

Some projects we're supporting include the basketball court upgrade, fixing up the toilets in the hall and providing safe pedestrian access from the William Street entrance.

While we do try to raise money for St Mary's, our main goal is to build a strong sense of community and we've been so pleased to see that sense of belonging growing in 2023 through the wonderful response to our Open Ovals, Prep Welcome Mornings and the enthusiasm shown by our new PA members.

Happy Easter St Mary's. See you all in Term 2.

# Marriage Encounter Weekend

*“Live Your Best Life in Love”*

Every relationship is a journey and the grind of everyday life can cause you to lose touch with your spouse.

This experience gives married couples the tools to keep your passion alive in a gentle, nurturing environment, away from pressures and distractions of daily living.

The weekend is based around Catholic values and couples of all faiths are welcome.

Date: 28-30 April 2023

# Annual Whole School Cross Country Event

St Mary's is excited to be holding our 2023 Whole School Cross Country Event in Term 2. This whole school event will take place on our school grounds at St Mary's on the first day of Term 2, Wednesday April 26th. All students from Prep to Year Six will participate in their House groups and receive points. There will be a winning house named after all races are completed. Students are encouraged to wear their house colour t-shirts. (If you are unsure of which house your child is in, their classroom teacher will know). They can use a t-shirt that they have at home that matches their house colour or a t-shirt can be purchased at various retail outlets. For example: Kmart sells plain t-shirts of the various colours below at a small cost.

Colours are as follows:

Bosco - Yellow  
Mercy - Blue  
Loyola - Green  
McAuley - Red

Year Three to Six students will run in their age group that they turn this year.

For Example:

- Students who turn 9 or 10 this year will run 9/10 year old race
- Students who turn 11 this year will run in the 11 year old race
- Students who turn 12 this year will run in the 12/13 year old race

Students from Year Three to Six who finish in the first 10 in their age group will qualify to compete for the school team in the Watsonia District Cross Country competition to be held on Monday May 15th at Banyule Flats, Somerset Drive, Viewbank (off Banyule Rd).

Prep to Year Two Students will participate in their year levels.

On the day of the event, 26/04/2023, parental assistance will be required. The event will take place outdoors utilising the Oval and the Piazza. If you are able to assist on the day, from 9.50am-11 am or 11.45am-1.45pm, I would greatly appreciate it. Please ensure your Working With Children's Check is in date and that you have completed the Induction Module online. Please email me at [foreilly@smgreensborough.catholic.edu.au](mailto:foreilly@smgreensborough.catholic.edu.au) if you are able to assist. If you are attending this outdoor event as a spectator, please firstly sign into the Office on your arrival, show your Working With Children's Check card and sit or stand on the grass area on the roadway near the tennis courts. This is for safety reasons to avoid congestion on the course, especially on the oval. Please then remember to sign out at the Office on your departure. This is critical to upholding our Child Safety guidelines.

# Exciting news from St. Mary's Library CHILDREN'S BOOK WEEK® 2023

We celebrate reading and the joy books bring to us, particularly during the CBCA book Week. The list of CBCA Shortlisted books has just been announced, so we are exploring these books as we count down to the CBCA awards in August.

To give you some background.... Each year since 1945 the CBCA has brought children and books together across Australia through Children's Book Week®. During this time schools and public libraries spend one glorious week celebrating books and Australian children's authors and illustrators. Classroom teachers, teacher librarians and public librarians create colourful displays, develop activities, run competitions and tell stories relating to a theme to highlight the importance of reading. You will often see parades with students dressed as their favourite book character.

During the holiday period, you will see these SHORTLISTED books in your local libraries and in bookshops. You know that these books, with the CBCA sticker, are written by Australian authors, for Australian children. They are a quality addition to home libraries and have been selected for their ability to inspire a love of reading.

This year, for the very first time, some St. Mary's are involved in the Shadow Judging for Book Week. We have been fortunate enough to secure a grant which recognises our school's love of literature and willingness to engage in exploration and in-depth discussions in order to learn more about the aspects of good quality literature. We look forward to sharing our thoughts as we participate in this exciting event.

# Northern Metropolitan Region Swimming Championships

On Thursday March 30th 2023, six students from St. Mary's headed to Watermarc for the Northern Region Metropolitan Swimming Championships. Charlie W, Jasmine C, Zoe D, Scarlett S, Teagan T and William S performed magnificently against tough opposition from various schools around north east Melbourne. Three first place finishes and three second place finishes were the highlights of the day as numerous medals were taken home by the students of St. Mary's. All of the community at school and beyond are extremely proud of your achievements. Huge thanks to your family members who transported you to and from the event. Two swimmers, Charlie and William, have now progressed to represent St. Mary's at the State Swimming Championships on Friday April 28th. This event will take place at MSAC in Albert Park. Charlie will swim in the freestyle and breaststroke events, whilst William will swim in the backstroke discipline. Congratulations to one and all and well done!

# basketball victoria

In Week 9 of Term 1 2023, students from Prep and Year 2 participated in a basketball clinic with coaches from Basketball Victoria. The coaches taught the boys and girls skills and drills that introduced and developed them in the game of Basketball. Triple Threat was the call of the day as the ball was secured on a players hip. Rip, touch your eyebrows and wipe your shoes, assist players in keeping the ball and prevent another player from taking it off them. Shooting for a basket was enjoyed by all, as the students had great fun working on their basketball skills.

# Interschool Sports

Bat Tennis Finals-Girls

"Congratulations to all those who made it to the finals in interschool sports and all the hard work that was put into it. Everyone played excellent games and there were quite a few amazing rallies going on between the schools. On Friday the 31st of March the St Mary's girls won their bat tennis finals against Watsonia Heights. Unfortunately there is no division for bat tennis. It was truly an amazing day and one to remember with all the excitement in the air from both schools. The girls all tried their best and we came out on top in the end. Thank you to everyone who played and a big thanks to Watsonia Heights for playing us in the finals. More thank yous to Mrs Vorster for being our coach and Mr O'Reilly for organizing everything throughout the whole term of summer interschool sports. We hope to see you sometime in the future and the best of luck to the year 6's that play them next year in bat tennis." - Written by Teagan T House Captain Mercy 2023

## Rounders

The first game that we played was a bye, what that means is that the school that we were playing against didn't have enough people or they didn't have a rounders team. Instead, we got to learn how to play the game properly, get to know our teammates and create a team name along with a massive poster. Our team is 'The Blue Zings' named after one of the best flavors of the discontinued tuckshop icy. Diya M, Sophia B, Mikaya P, Olivia C, Zoe D, Stephanie S, Sofia N, Serena C, Sacha D, Lucy D, Clara S, Charlotte M, Alexia D and Sienna W, these are all of the girls that make up our amazing St. Mary's rounders team. So far we have played five or so games and our hard work has been paying off because so far we have only lost one game. The schools that we have versed have been great competitors and have shown good sportsmanship. We have played against Streeton Primary that showed wonderful resilience even though they had students from year five and four playing. Next we played Bundoora Primary that had strong encouragement and cheered on their team, plus they had goats and chickens right next to where we were playing. Next we played Watsonia North which has been one of St. Mary's strongest competitors for years. It was a very close and thrilling game that ended in Watsonia at 17 and St. Mary's at 18. Our most recent game took place on Friday the 17th of March we lost our very first game to Watsonia Heights, they were amazing and we had a great time and even learnt some things from them. After was Greensborough Primary which had great resilience. Then came the final. We were up against Watsonia Heights again. Both teams had high spirits including mindset and some blue gloves and sunglasses provided by our lovely coach Lisa. It was a tough game going back and forth but in the end Watsonia Heights got 11 and St Mary's got 7 but we didn't let this crush our mood because we all had so much fun these past nine weeks. It has been awesome to learn this sport and make memories that will last a lifetime."

## Girls Basketball

13 girls have been selected to represent St. Mary's in the interschool sports competition for girls basketball. We have won three games and lost two. Five games have been played in total.

Together we are a great team and it's amazing to see how well we're playing together. Interschool sports is always a highlight of our week and everybody enjoys it very much. We have all learnt how to show leadership and play fair games to make it enjoyable for everyone. Each week someone gets chosen to be captain and will say a welcome or thank you speech before and after each game. They will also make a quick recap to our year about how the game went and give a player of the game award. All our players have shown great sportsmanship and kindness to everyone which has been great to see.

We are looking forward to finishing the season off strongly and hopefully this has developed a passion for the game towards all of the girls.

## BAT TENNIS FINALS-BOYS

"THE BAT TENNIS FINALS TOOK PLACE ON 31 OF MARCH AND BOTH BOYS AND GIRLS MADE IT TO THE FINALS. THE BOYS PLAYED AGAINST WATSONIA NORTH.. WE ALL HAD FUN AND PLAYED FAIRLY WITH THE OTHER TEAM.

SADLY, THE BOYS LOST TO WATSONIA NORTH. CONGRATULATIONS TO EVERYONE FOR TRYING THEIR BEST IN BAT TENNIS! MANY THANKS TO OUR COACH, MRS. VORSTER." -WRITTEN BY SEBASTIAN K SCHOOL CAPTAIN 2023

## Finals report:

"On Friday the 31st of March both St. Mary's basketball teams for inter school sports competed in the district Championships. Our girls team played in a series of games whereas the boys team went straight through to the grand final. In all of the games everybody played well and showed great sportsmanship towards the other schools. The girls semi final was very well played because the last time we faced streeton, St. Mary's lost. This time around we were successful, which meant we would go on to play the grand final against Watsonia North. We knew this would be a challenge for us because our opponents have gone undefeated. Unfortunately we were runners up which is a great achievement and everybody had lots of fun. "

## Boys Basketball

"On Friday the 31st of March the boys basketball team played their grand final at St Mary's. It was a long awaited match and our team was very excited to see who they were playing. Just before that game it was the semi final- Watsonia Heights vs Watsonia North. The winner goes to the final.. It was a very intense and interesting game and both teams played very well. Watsonia north ended up winning and going on to play St Mary's in the Grand Final. Everyone was nervous and the crowd was too. Both teams started great and it was a very fun game for both teams. St Mary's came out on top .our whole team was full of joy and we were so happy. Now that St Mary's have won the Grand Final, they will go on to play in the Banyule Division Tournament in Term 4. "

## Main Hurstbridge Road Level Crossing Closure

The second stage of the Hurstbridge Line Duplication will deliver further improvements, including more train services, less crowding on peak trains and better connections to public transport in Melbourne's northeast.

We are undergoing 24/7 works to get your new stations at Greensborough and Montmorency ready for use, complete platform and pedestrian crossing upgrades at Diamond Creek Station, and complete 3.5km of new rail track duplication on the Hurstbridge Line to allow extra services to run.

Whilst the major construction blitz is underway, buses replace trains on sections of the Hurstbridge Line until **last service Saturday 29 April 2023**. We will have trains running on the new duplicated track from **Sunday 30 April 2023**.

### Changes to road

Main Hurstbridge Road level crossing will close between **9pm Tuesday 11 April and 5am Wednesday 12 April 2023**.

Please see map overleaf for Main Hurstbridge Road detour information.

### What to expect

- Overnight noise, dust or vibrations from heavy machinery working throughout the rail corridor and locations at Diamond Creek Station, Diamond Creek Shopping Centre, and Main Hurstbridge Road
- The use of light towers and generators for night works across project sites
- An increase in heavy vehicles using local roads for haulage and deliveries to site
- Traffic management and detours in place to help you move safely through the area - please check local signage for up-to-date detour information.
