

26 October | Vol. 15

210 Grimshaw Street, Greensborough, 3088

Dear God,

We offer a prayer of gratitude for our teachers. We recognize the invaluable role they play in shaping the minds and hearts of our students.

We thank you for the gift of teachers who guide, inspire, and nurture the next generation. They carry the torch of knowledge, instilling wisdom, curiosity, and a hunger for learning in the young minds entrusted to their care.

May their classrooms be filled with an atmosphere of respect, encouragement, and support, where every student feels valued and understood. Give them the wisdom to impart not only academic knowledge but also the values of kindness, integrity, and a love for one another.

Lord, provide them with the energy and resilience to meet the demands of their calling. May they find joy and fulfilment in their work, knowing that they are making a lasting impact on the lives of those they teach.

May they continue to be beacons of knowledge, compassion, and inspiration, lighting the way for our students. Bless them abundantly and keep them in your care, for they are the silent heroes of our society.

Amen.

A MESSAGE FROM THE PRINCIPAL

St. Mary's is a dynamic Catholic community of empowered learners engaging justly in the world.

Dear Families,

Dear Parents and Carers,

As we dive into this everchanging spring season, we have exciting updates and events to share with you. Your unwavering support and engagement are truly appreciated.

Prep Transition Days

We are thrilled to announce our upcoming Prep transition days for the newest members of our St. Mary's community. On November 1st, 8th, and 14th, our 2024 Prep students will embark on their first steps into primary education. These transition days are a crucial part of their journey, ensuring a smooth start to their academic adventure. We look forward to welcoming you and them with open arms.

PBL Reward System:

Our whole school Positive Behavior for Learning (PBL) reward system continues to thrive. We are incredibly proud of our students who consistently exhibit positive behaviours and contribute to our nurturing school environment. The dedication and enthusiasm of our students and staff are truly commendable. All are abuzz with the introduction of the golden ticket and reward tokens. Please support your students in their endeavours to demonstrate Responsibility, Respect and Safety.

World Teachers Day

On October 27th, we celebrate World Teachers Day, recognizing the dedication, passion, and hard work of our amazing educators. We are grateful for their unwavering commitment to shaping young minds and nurturing our students' potential. Let's take a moment to appreciate the incredible teachers at St. Mary's.

Sports Day Thursday 26th October

Today we held our annual Sports Day which promised to be a day filled with enthusiasm, teamwork, and fun. Students, parents, and staff all came together to celebrate physical activity and healthy competition. Thank you to Mr O'Reilly and the Health and PE leaders for their organisation and to all staff and students for their support. It was a fantastic opportunity to cheer on our athletes and demonstrate the St. Mary's spirit.

Upgrade to Hall Toilets

We are delighted that the upgrade to the hall toilets is completed. Thank you to our builder Matt Porter and to the NEL Community fund for our grant of \$100,000. Thank you also to each and every parent of St Mary's who has contributed to the Parents Association for the \$10,000 to complete this part of the upgrade. Please encourage your children to value this new refurb and to ensure it stays looking beautiful for all to enjoy for years to come. An official opening will occur when the next part of the Project is completed in June 2024. For now, Laurina V will open the toilets on Friday morning in readiness for the Disco.

Sacrament of Reconciliation

On October 24th, we celebrated a significant milestone in the spiritual journey of our Year 2 students as they received the Sacrament of Reconciliation. This was a moment of reflection, grace, and living faith, and we were proud to support our students in their spiritual growth. Congratulations to Ana Amorim our RE Leader and to the Year 2 staff; Angie V, Emma M, Annabelle R and Mary M (in Annabelle's overseas absence) for preparing the students so beautifully.

A MESSAGE FROM THE PRINCIPAL

Sacrament of Reconciliation cont.

Both celebrations were reflective, prayerful services and our prayers are with the Year 2 students and their families. Thank you also to all other staff who attended to support our students and families.

Staffing and Class Groups

We understand the importance of a stable and nurturing learning environment for our students. Our dedicated staff is diligently working to create well-balanced class groups through the use of ClassSolver based upon student and parent requests, that will encourage growth and positive relationships. Rest assured that we are focused on providing the best possible education for your children.

Working Bee

Thank you to all families, the MaD team and Laurina V who worked together on Saturday 14th October to support the St Mary's community. A great deal was achieved. It is always wonderful to return on Monday and see how St Mary's has been beautified. All help was greatly appreciated.

St Mary's Community Fair 2023

Please sign up as volunteers for the Fair. A Google Form has been sent out. We are getting very excited about the Fair in Term 4 but it will only be successful if we have the volunteers to lend a hand and give an hour or two of your time. I ask everyone in our great community to really get on board and support the St Mary's Community Fair on the 25th November. This is going to be a wonderful event. The committee is working diligently to ensure the event is a success. Please speak to any connections you may have in regards to sponsorship as every amount helps raise much needed funds for the school and parish. Please read about this event and how you can assist further in the Candela.

Congratulations Briar and Michelle

Congratulations to Briar Quonoey nee Wagner (5W) and Chris who are expecting their first child in April 2024. And to Michelle Polifiore (Maths Leader) and Andrew who are expecting their first child in May 2024. We wish them every blessing and a lifetime of joy.

Condolences

Our deepest condolences are with the Smale family at the devastating loss of Kristi. Our thoughts, love and prayers are with the Smale family and their friends at this sad time.

St Mary's Bereavement Mass

**St Mary's Annual Bereavement Mass will be held on 10th
November, 7.30pm.**

It is a good and wholesome thing to pray for and remember those that have gone before us. Families, Parishioners, and those that have sacrificed their lives for our freedom, will be remembered in our prayers. We will celebrate the Sacrament of the Mass remembering that Jesus, through his cross, death and Resurrection has freed us from the powers of death. Let us come together as one in our grief, in our loneliness and with faithful hearts in thanks and praise as we remember. All are welcomed to attend. St Mary's Bereavement Group.

"In my Father's house there are many rooms; if it were not so, would I have told you that I go to prepare a place for you?" John 14:2

School Sport Australia 2023 National Championships

Last week I participated in the School Sport Australia Soccer 12 years and under National Championships. This event was held at the home of the Matildas at Latrobe University. All the states and territories were represented. Overall, it was a fantastic week with my team and we finished as the 4th best team in Australia. I was the Vice Captain of VIC navy and I scored 3 goals and provided 5 assists throughout the tournament. I am very proud of mine and my team's performance and it was a great experience and achievement for everyone. The event gave us the chance to connect with players from other states and territories. Throughout the week we made new friendships and had great fun together. I loved the experience of being part of team VIC for the second year and would encourage other students to participate in any school sport events. Thank you to everyone who came along to support us!

Basketball Tournament

On Thursday the 19th of October the Boys Basketball team had a chance to represent St Marys at the Banyule Division School Championship at Latrobe Basketball Stadium. There are 11 players on our team. We were there to play two games, one at 9: 30 and the other at 10: 50. Those two teams are St Martins and Ivanhoe Grammar.

Our first game was at 9: 30 against St Martin's Primary school. We were all very excited and a little bit nervous. We all thought we were going to give them a good run because we had a very strong team. All throughout the game it was close one time we were up by 10 and they came back within 2 points. It was a very tight game. We managed to keep the lead for a while but then they were in front by 2 points and then we came back and we ended up winning 28 to 35.

Our second game was at 10:50 against Ivanhoe grammar. We started the game and we were shocked when they got out to an early 8 point lead in the first few minutes and then they started to get out to a massive lead into halftime. The scores were 31 to 10 in Ivanhoe's way. During the halftime chat our coach told us not to look at the scoreboard and just have fun. We ended up making a great comeback scoring point after point after point then we were only down by three points; Ivanhoe scored and it just wasn't enough for us to win. With the end score being 33 to 28. The last game was St Martins vs Ivanhoe and st Martins smashed them by 21 points so St. Martins made it through to regionals by point difference. Overall, we had a great day!

TIME & TALENT INVITATION!

St Mary's PPC members are inviting you! our community to reflect on your individual gifts and how you may see an opportunity to serve God in joining one or more of our many volunteer ministries.

Our Parish needs you!

Each of the volunteer ministry groups contribute to the Life of this Parish. Look around you – each week you will see volunteers making things happen. Mass – the source in which we nourish our relationship with Christ, is made possible through the generosity of our Sacristan and members of our Liturgy Group who ready our Church building to receive God's faithful for worship and praise.

His word is proclaimed by those who have recognized their gift of loving Scripture and bringing the Word to God's faithful by committing their time regularly by way of a roster. You see many here this morning - Readers, Sacristans, Musicians, flowers, and many more ensuring that all is ready to receive Fr Steve, Fr Martin or Fr Ananda to celebrate the Mass each week.

There are many groups which have previously been established and are still active. These appear on the *Time & Talent Invitation* form. But! There may be a new idea that has come to mind which you would like to discuss one of our group leaders, and you are most welcomed to approach those you have seen here this (evening/morning).

Listen! With your ears of faith, move deeply into your heart of faith to then respond with your gifts identified, in service you are actively bringing our Parish Vision – *“To be a vibrant Christian community engaging with the world”* to LIFE! Any questions? Speak to me today or complete a form and we will be touch! You will find Time & Talent information in the Gathering Space.

OUR INVITATION TO YOU!

DEAR ST. MARY'S COMMUNITY

St Mary's Parish Pastoral Council representatives invite you to read through the attached list of Volunteer Ministries, including Parish Activities, *being mindful* of those which '*grab*' your attention.

You may already be involved in one of the existing parish groups; or you may have been thinking about joining another group.

Perhaps you have been contemplating an idea for a new group and would like to have a conversation about your idea with one of our leaders.

New ideas for creating a group are welcomed!

Our community needs our people to be involved – as we continue to strive in our vision of *being a vibrant Christian community engaging with the world.*

How might YOU! contribute your time and talent?

Warm regards.
