St Mary's Parish Primary School Engaging Families in Child Safety Policy

St Mary's Parish Primary School is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

Introduction

Catholic education is an active partnership between family and school, where families are recognised as the first and ongoing educators of their children. Schools and families partner in the shared privilege and responsibility for children and young people's faith formation, learning, safety and wellbeing.

At St Mary's Parish Primary School, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (CECV Commitment Statement to Child Safety).

The CECV commits to providing a safe, nurturing and empowering culture for all children and young people in Victorian Catholic schools through:

- Upholding the primacy of the safety and wellbeing of children and young people
- Empowering families, children, young people and staff to have a voice and raise concerns
- Implementing rigorous risk management and employment practices

MACS Horizons of Hope Foundation Statement: Families as partners in Catholic school communities

When the child moves beyond the earliest years, families are joined by a school on their child's learning journey. This is when a long-term partnership between home and school begins. In choosing a Catholic school, parents enter a partnership with the school in which there is shared privilege and responsibility for the child's faith formation, learning and wellbeing.

Vision Statement

St. Mary's is a dynamic Catholic community of empowered learners engaging justly in the world.

Mission Statement

With Christ as our central focus and model, and believing in the uniqueness and dignity of each person created in the image of God, our mission is to:

- Engage with faith and Catholic traditions, relating them to contemporary culture and life whilst nurturing a distinctive Christian spirituality.
- Promote respect and justice, creating a climate where all feel welcomed, secure and valued.
- Provide excellence in education that is rich in content and meets individual needs.
- Create a learning environment that encourages personal growth and a love of learning.
- Empower our students to meet the demands of an ever changing world while fostering a hope for the future.
- As citizens of Australia, prepare our students to participate fully in our contemporary society and to uphold the Australian Constitution.
- Work in partnership with parents and caregivers who are the prime educators of their children.
