

CANDELA

God of love, grant us the grace to strive to be more like Jesus in the way we live and reach out to others. You have drawn us together as people of faith.

May the love that is in us, like a small seed planted by your hand, grow stronger each day and may our care for one another witness your love for all.

Amen

A MESSAGE FROM THE PRINCIPAL

St. Mary's is a dynamic Catholic community of empowered learners engaging justly in the world.

Dear Families,

Welcome back

I welcome everyone back to Term Three and I hope you enjoyed a well-earned rest away from the routine of school and work and the winter chills. This term is especially busy with School Performance, Grandparents and Special Friend's Mass and Morning Tea, Book Week, 100 Days of Prep, Fathers' Day Breakfast, Athletics, Assumption Mass, Prep Interviews and the School Review as well as all the other activities that take place on a daily basis. Information regarding these events is available further in the Candela.

Confirmation

Last Sunday Bishop Terry Curtin, Fr Steve and Fr Ananda celebrated Confirmation for our Year 6 students. The liturgies were reverent and reflective. There are many people to be acknowledged for their support. Firstly congratulations to Laurina, Taylor, Geraldine and the Year 6 teachers for organising the Mass, teaching and practising with the students and for all the logistical aspects e.g. the certificates, booklets, powerpoint, seating plans etc. Our appreciation is extended to Bishop Terry Curtin, Fr Steve and Fr Ananda, the St Mary's parish choir, Marian and St Mary's staff who attended. Congratulations to our Confirmation candidates for their reverence, excellent reading and prayerful participation. Bishop Terry was most

impressed with these young people. To our families, we thank you for your support and pray that the Holy Spirit will continue to provide you with the hope and joy that spring from the gifts and fruits of the Spirit.

School Closure Days

On Monday and Tuesday 15th, 16th of July, St Mary's staff worked with MACS staff to analyse data and provide evidence of growth in the five spheres of school improvement at St Mary's. The staff worked extremely hard in the spheres of Education in Faith, Learning and Teaching, Leadership and Management, Student Wellbeing and School Community looking at evidence and formulating recommendations for future improvement. I was extremely proud of everyone's efforts and look forward to the School Review where this evidence will be shared with our reviewer and our community and we set the priorities for the next four years.

Working Bee Saturday 27th July

On Saturday 27th July St Mary's has scheduled a working bee primarily aimed at Year 1 families however due to a lack of volunteers in recent working bees, we are asking for anyone who has a spare hour or two to attend and lend a hand. At the last working bee two parents attended to support the MaD team. Please consider attending this working bee as maintenance is a critical aspect of any school and parish.

Prep Family Interviews

Over the past few days Fr Steve and I have had the pleasure of interviewing our 2025 families to St Mary's. This is an exciting time meeting the children and parents and finding out what the children love about kinder and what they hope to be doing at school. Many parents commented on the wonderful community spirit that has drawn them to St Mary's.

A MESSAGE FROM THE PRINCIPAL

Annual Report to the School Community

The Annual Report to the School Community is posted on our website. I ask you to read the report as we are proud of and thank the teaching staff for their dedication to school improvement. I also thank the parent community for working in partnership with the school to enable greater achievements for our students to take place. As a team we are working together for constant improvement.

School Performance

The students and staff are very excited about the upcoming Performance on the 22nd and 26th of August. All classes are busily practising lines, rehearsing and learning songs. I felt so privileged to be a panellist as part of the auditions. What amazing talent we have at St Mary's! This year the school performance is being held at the Inigo Theatre at Loyola. More information about our school performance will be shared over the coming weeks always in the Candela.

School Policies

One of our initiatives is to provide our families with updated policies. Every Candela I add updated policies to my Principal News and I ask that you take the time to read these. One of the aspects of St Mary's of which we are proud is the improvement in Student Behaviour. Our students understand that we have zero tolerance for disrespect and our SWIS data shows that our alignment between academics and classroom behaviour is making a difference. Attached is the Student Behaviour Policy with our updated flowchart [Student Behaviour Policy 2024](#). Please read this to understand the processes in place for addressing behaviour.

Tuckshop Closure

Due to Mel injuring herself at St Mary's, the canteen will be closed until further notice. Mel tripped and broke her foot in the meeting room next door to the canteen. Our prayers and thoughts are with her for a speedy recovery.

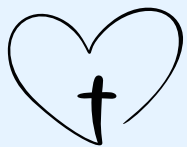

Prayers for Staff

Please keep Ana (RE Leader) in your prayers. Sending her love, courage and strength.

Please also keep Marguerite (Mental Health & Wellbeing Leader) in your prayers as well as we send her our love too.

Grandparent's and Special Friends Day

Grandparents are of unique importance in family life and particularly in the transmission of faith through the generations. They provide children with stability, and a sense of identity and continuity. Grandparents and special friends' day is a very popular event in our school's calendar. This year Grandparents and special friends' day will be taking place on Tuesday 6th of August from 8.30am- 12:00pm.

Students will be divided into family groups which means that students who have other family members in the school will be together in the same classroom. Those students without siblings will be in a group with their class teacher/s. Students and families will be told ahead of time which classroom they will be in for the day. Grandparents are invited to arrive from 8.30am when classroom doors open. The day will begin with our Parish Mass at 9:15am, grandparents and special friends will join us for our special Eucharistic celebration. Once Mass has ended, grandparents will be invited to return to their grandchild's family group classroom and take part in some activities with them. After visiting the classrooms, grandparents and special friends are invited to share in a morning tea that will take place in the Hall at 11:00am. This will allow grandparents the opportunity to meet and chat with others of the St Marys community. All families are asked to provide a plate to share for this special morning tea (one plate per family). If your contribution is allergen free eg: gluten free, nut free, egg free, etc. could you please clearly label this so people are aware. Plates can be dropped off at the Hall on the morning of this special day.

For catering purposes and to have an idea of numbers we would appreciate it if families filled out the form linking below. We would also love to involve families within our School Mass. If any grandparents are willing to share a special role with their grandchild, please let us know by filling out the form. If your family is allocated a job you will be contacted directly.

Thank you

I write on behalf of the Greensborough Conference of St. Vincent De Paul Society, to thank the St. Mary's School Community most sincerely for providing us with 22 tubs of food for our Winter Appeal Food Drive

In particular we acknowledge and appreciate the following -

- Principal, Marisa Matthys for allowing St Mary's school to once again be involved in this annual activity.*
- Ana Amorim, Taylor Leslie and Laurina van-der-El for their superb co-ordination of this food drive. The response was overwhelming and we know this was due to their willingness to encourage the school community to give within their means to others who have much less than they do.*
- The class teachers who constantly reminded their students to be involved in this food drive and made sure of the best outcome possible by the end of last term*
- The families who contributed food items so willingly and generously despite other demands on their time and finances*
- The Students who kindly brought the goods from home to their classrooms*
- Thank you to Bunnings for the donation of Baskets for the food to be stored in during the collection.*

We also thank the Staff most sincerely for donating the 'Winter Warmers' - such a thoughtful gesture!

We will now be able to provide and deliver Emergency Food Parcels to families who call on us for immediate assistance over the next few months.

Wishing your school community all the very best for Term 3 and again please accept our grateful thanks to you all for your amazing support of our Greensborough Conference and the families who live in this area.

Maureen Lonsdale, President: Greensborough Conference - St Vincent De Paul Society

News from the Library

With our 2024 Children's Book Week theme; Reading is Magic, we're celebrating reading stories and their amazing power to transport minds. St. Mary's will be celebrating the CBCA (Children's Book Council Awards) during the week beginning Monday September 2. On this day we will watch an interactive performance by Perform Education, who are an official in-school partner of The Children's Book Council of Australia.

Throughout our St. Mary's Book Week students will be invited to participate in a range of exciting activities offered within their classes. On Tuesday, September 3rd we will have a celebration of all things blue, to highlight the Shortlisted book, 'Bowerbird Blues' by Aura Parker. On this day students are invited to wear 'a touch of blue' alongside their school uniform, as well as a shared lunchtime where students are invited to eat together and bring to school books about magic and magic tricks to celebrate this year's theme "Reading is Magic!" Budding magicians may share their tricks!

On THURSDAY, September 5, beginning at 9am, we will be celebrating our love of reading with our St. Mary's Book Week Parade. This will commence at 9am on the piazza (hall if weather inclement) On this day, staff, students and families are invited to dress up as a character from a favorite book and bring this book to school to share with others. A few suggestions....

With this year's theme "Reading is Magic", your child/ren may decide to dress up as someone/something magical. Parents are welcome to attend and enjoy the festivities of the parade.

Leading up to St. Mary's Book Week, we will be holding our Lamont/St Mary's Book Fair from Thursday, August 22 - Friday, August 30. This exciting event provides students, staff and families with opportunities to check out quality books ranging from new releases to classics. Students visit the Fair during their weekly class visit and take home a 'Wish List' listing titles of books they may wish to purchase. Families then log on to the portal to order and pay for their selections. This information will be provided to you on the Wishlist.

The Lamont / St. Mary's Book Fair is also open to families at the following days/times; Monday, August 26 at 8.30am before school and then at 3.15pm -3.30pm after school. The Fair is also open to families on Thursday, August 29th at 8.30-8.50am and 3.15pm-3.30pm.

Books available at the Fair can be purchased online or by credit card or cash when you visit the fair. It works effectively when students take their wishlist home and families then pay for their books online. The books are then delivered to the students in their classrooms, for them to take home. The Lamont / St Mary's Book Fair is a wonderful way to encourage reading and support families to have conversations about favorite books and authors. It is also a great opportunity to stock up on Christmas and / or birthday gifts.

Happy Reading!

ENRICHMENT NEWS

Our St Mary's Fire Carriers and CBCA (Children's Book Council Awards) Shadow Judges were invited to see a NAIDOC presentation hosted by the National Portrait Gallery Canberra. We participated via zoom and saw portraits of famous Aboriginal people including Cathy Freeman and Adam Goodes. We were asked to respond to the style of artwork and draw comparisons between the paintings and our perceptions of these people. We were asked to explain the role of our Fire carriers here at school. I posed the question to some of our six Fire Carriers and they said "Our role is to take care of and respect Aboriginal heritage. It's to help people realise and appreciate how much Aboriginal people cared for and respected the lands on which we live. We try to teach everyone else about this'. The opportunity to focus on the accomplishments of famous Aboriginal people supported us in our Shadow Judging tasks. Three of the six books shortlisted allow us to learn more about Aboriginal culture and heritage.
